Your Account: Coolers & Promotions:

- ◆ **Billing:** Along with our famous products and unbeatable service, Marburger Farm Dairy is concerned about value. For the customer, that means the ability to accurately view and evaluate allowable discounts. The guidelines that we use are spelled out through the regulations of the Pennsylvania Milk Marketing Board (PMMB); which we use to insure you the best possible value. Through means such as invoices and weekly bills, customers get an accurate and reliable picture of what they are purchasing.
- ◆ **Terms:** 14 day payable or other credit arrangements can be requested
- ◆ **Coolers/Promotion:** The PMMB is very specific concerning what MFD can give to stores. Things like sale pricing, coolers, and special requests need to be discussed with one of our sales staff.

***Marburger Farm Dairy also has a variety of novelty items. Call (724) 538-4800 for a complete list.

Our Company & Our Commitment

Marburger Farm Dairy has been providing great products for over 67 years! We are family owned and operated, and although our growth has required us to ship milk in from surrounding farms, we still milk 120 of our own cows! This process of getting milk from other farms supports over 75 farmers and their families. Also, over 100 people are employed at the dairy itself. Our new production floor addition allows us to use state-of-the-art equipment to create the best product for you.

Marburger Farm Dairy Commitment:

We believe in **Quality**— we have a strong commitment to bringing you quality products!

We believe in **Service**— you will find us to be friendly from our customer service representatives to our drivers!

We believe in **Value**— competitive prices with a great taste!
